

## **Abstract submission checklist**

### **VALDIG Conference Ascona 19.02.2017-22.02.2017**

Below you will find the major key points and rules needed to prepare your abstract.

#### **Title:**

- Title should be on a single line (no paragraphs)
- Length is 50-250 characters (including spaces)
- Do not use all capital letters and do not capitalise the first letter of each word
- Do not use any abbreviation in the title
- Do not put a period at the end of the title

#### **Authors:**

- Mandatory fields: Complete first name (not only your initials), last name and country
- Title should be listed in the 'title' field, not in the 'author name' field. In any case, it will not appear in the preview
- Indicate corresponding and presenting authors (if different from submitter)
- When copy/pasting names, make sure there is no space after the name

#### **Affiliations:**

- Department (optional), institution/company, city, country
- Do not use all capital letters and do not capitalise the first letter of each word
- When entering new author's affiliation, is the affiliation the same? Pick from the drop down list

#### **Abstract body:**

- Background and Aims
- Methods
- Results
- Conclusions

In total, the ideal number of block characters (including spaces) should be between 500-2500.

**Young Investigators:**

If you are under 33 or still in training you can apply for a CSF Award for young scientists.
